Coming soon

You still have time to sponsor the walkers Brian Cobbold and Joanne Conway & Lana Alliston. The 40km hike will be a tremendous challenge.

Homers walk is dedicated to a bulldog who never gave up and forgave the ill treatment he had in the past to find love and comfort in his foster mum's arms Mel Barker. Sadly Homer passed away but his dream lives on. We wish the walkers every success in their challenge and thank them for their fund raising event. Good luck guys.
