Bulldog Rescue Remain in Urgent need of Funds to support the Bulldogs in their care

Bulldog Rescue need funds to support the increasing numbers of Bulldogs coming in to Rescue at no fault of their own. Today's climate of breeding bulldogs and increasing numbers of NRC Bulldogs has led to ever growing numbers of Bulldogs needing assistance many due to being unwanted or unfortunately needing immediate urgent medical care. The increasing costs of vets bills now and the joining of veterinary practices into large chains is leading to incredibly high medical bills not only for us as a rescue but also to pet owners themselves. The vets bills for Rescue are growing at a rate that sees Bulldog Rescue having more money going out for these bills that is coming in and if this continues we may not be able to help the bulldogs needing assistance to the extent we do now and if it continues we will not be able to cope with the demand and if there was no Bulldog Rescue the longest established rescue for pure bred Bulldogs where would the Bulldogs end up.

Please help in any way you can by fundraising, support the auction, buying merchandise or donating via the web site Please support the breed that we know and love and help Bulldog Rescue. Thank you
